 DIRECTOR

**A**t the end of every Rainbow there is a pot of gold. At the end of your Rainbow there is Rainbow Camp. A fun filled camp in Brentwood for boys and girls ages 4-13.

In the beautiful surroundings of our campsite, children can relax and enjoy the many

activities offered. Parents can relax knowing that their children are very well taken care of by a personable and highly qualified staff. All of our activities take place at our campsite. There is no busing.

The sports calendar is full with Olympic Day, visiting coaches, visiting sports celebrities, and intermural sports. The counselors work with each child to help improve

his/her skills and self-esteem. All activities are geared to each child's age and ability. Arts and Crafts is a favorite at Rainbow Camp, and the art department has many activities planned for both boys and girls, including ceramics and model building.

Our campsite is fully equipped with a soccer field, a volleyball court, a basketball sports court, a hockey rink, and playground equipment. Rainbow counselors enjoy the children, and get to know each and every one of them individually. The children enjoy our counselors, and really have a great time. Everyone enjoys Rainbow Camp. I'm looking forward to seeing you.
